Foreword

Welcome to our second ever AES Elite Foal Auction in cooperation with Brightwells Auctioneers.

Our vision for the Elite Auction is to give Britain's riders and owners of top competition horses the opportunity to see a selection of the very best breeding this country offers.

We want to give something back to our many British breeders, by giving them the opportunity to present their foals to an expert audience. The Addington Elite Sales alongside the Young Horse Championships provide the perfect venue and opportunity to achieve this.

This year, we travelled further than ever, meeting breeders and foals as far afield as Inverness, Wales and Devon to find the stars of the future.

Everywhere we went we were met with great support and enthusiasm from across the entire breeding community, and we met passionate and knowledgeable breeders whose dedication has been truly humbling and inspiring.

Yet again we were struck by the breadth and depth of quality we found in breeding for all three Olympic disciplines, allowing us to put together a truly outstanding selection of quality foals that demonstrates how far we have come as a country. Our breeders can hold their head up high in international circles.

We are excited that we can offer serious and knowledgeable British buyers what they have been asking for: the opportunity to see an outstanding and truly diverse selection of serious competition prospect foals together all under one roof.

Our special thanks go to Brightwells Auctioneers who are running the 'business side' of this auction and whose expertise in this field is simply invaluable. Without their support this would not have been possible.

We believe that Britain deserves and needs a strong and successful Elite Foal Auction to guarantee the future of the sport. We would like to thank you for supporting it and being part of this exciting journey.

With the very best wishes

Your

AES Team

This colt’s mother Crevette provides a great match for this promising pedigree with a half-sister who competed successfully up to 1.40m with a novice rider. She brings valuable Selle Francais lines in Flipper d’Elle, and behind that comes Touchdown and that all important thoroughbred blood injection. A very attractive tall and charming colt with a highly convincing pedigree.

The second Wish Upon A Star foal in this auction comes directly from the stallion’s owner, Carolyn Bates of Grafham Stud. We can see the strong influence of Gribaldi in this beautiful filly with exceptional expression and that characteristic topline and uphill tendency. Justa Wish’s mother is the full sister to Joyride, who is currently competing for Britain at CCI3* with Tom McEwen and to the stallion Brief Encounter. She offers a highly interesting combination of bloodlines through the great stallion Jumbo, who sired a string of successful international eventers, and the Elite mare Grafham Society, who comes from a highly successful Trakehner motherline of proven eventers and show jumpers. A very interesting opportunity to purchase a highly attractive filly from exceptional performance lines.

We are finishing this auction selection on a high with this beautiful filly by the great Kannan, who requires no further introduction. The second foal by Samantha Edis to feature in this auction, Kanni Balou has a pedigree that speaks for itself, with another all-time great on the mother's side in the renowned Balou du Rouet. The grandmother is the State premium mare Cantate who produced the licensed son Millfield Cassidy and Con Versace, mother of the licensed stallion Quinlan Z. The dam line is the Holsteiner line 18A2, one of the world's most influential show jumping lines that produced stallions like Clinton and Untouchable and countless Grand Prix horses. A truly outstanding opportunity to purchase a filly with beautiful type and presence and some the very best show jumping breeding in the world.
