# Foreword

---

Welcome to our first ever AES Elite Dressage Foal Auction in cooperation with Brightwells Auctioneers at Stoneleigh.

Our vision for the Elite Auction is to give Britain's riders and owners of top competition horses the opportunity to see a selection of the very best breeding this country offers.

We want to give something back to our many British breeders, by giving them the opportunity to present their foals to an expert audience. The British Dressage National Championships at Stoneleigh provide the perfect venue and opportunity to achieve this.

This year, we travelled further than ever, meeting breeders and foals as far afield as Inverness, Wales and Devon to find the stars of the future.

Everywhere we went we were met with great support and enthusiasm from across the entire breeding community, and we encountered passionate and knowledgeable breeders whose dedication has been truly humbling and inspiring.

Yet again we were struck by the breadth and depth of quality we found in the breeding of the dressage foals we were invited to inspect, allowing us to put together a truly outstanding selection of quality foals that demonstrates how far we have come as a country.

There is something very exciting about British dressage breeding, as we see a great range of established, as well as exciting new up-and-coming stallions mixed with proven motherliness to offer a diverse and performance driven range of foals. Our breeders can hold their head up high in international circles.

We are delighted that we can offer serious and knowledgeable British buyers what they have been asking for: the opportunity to see an outstanding and truly diverse selection of serious competition prospect foals together all in one venue.

Our special thanks go to Brightwells Auctioneers who are running the 'business side' of this auction and whose expertise in this field is simply invaluable. Without their support this would not have been possible.

We would like to thank you for supporting our auction and for being part of this exciting journey. Above all, we hope you enjoy the auction and our wonderful foals.

With the very best wishes

Your  
AES Team

Gambler's mother is the half sister to the international dressage horses Sir Kennedy and Verdi. Fantasia is a direct daughter of the world breeding champion Fürst Heinrich, sire of the famous Woodlander Farouche, and her mother Penny Lane had offspring in Germany with dressage winnings currently reaching over 15,000 Euros. She is the full sister of the successful international CIC 3\* horse Florenz 64 who is ridden by Frank Feldmann. Also from that line comes the stallion Laurenzius. We are delighted to offer a colt bred at Bayfield Stud from the very first crop of the exciting young stallion Incognito, who sired the highest priced auction foal at the World Dressage Breeding Championships at Ermelo this summer. Incognito carries the rare and valuable blood of Davino VOD who sadly died after only a short breeding career. This stallion is by Hotline and comes from the direct motherline of UB40. Behind that we have direct daughter of the legendary Johnson out of a Ferro mare, both of whom are firm favourites with anybody interested in serious performance dressage breeding. The dam was graded AES 3\*\*\* and ster prok and whose grand dam is Elite prok. All of this comes on a motherline that has interestingly been highly successful in producing international show jumpers, such as the 1.45m mare Riente, and licensed show jumping stallions such as Cor de Emilion and Aristo. A bold and beautiful foal offering some of the very highlights of modern Dutch breeding on a proven performance dam line.

A real highlight of our auction is this wonderful colt by Quantensprung from the breeding of Nicola Burton of Wrestow Stud. Crocket caused a stir at this year's Futurity evaluations when he scored a highly impressive 9.36 Elite premium with a 9.75 for conformation and a perfect 10 for his canter, making him the highest scoring dressage entry this year across all venues and ages. Highly valued for his beautiful large frame and excellent temperament, Quantensprung is by Quando Quando whose sire Quattro B was internationally successful in dressage and show jumping. His mother provides the proven combination of Donnerhall and Lauries Crusador XX. All of this is an excellent combination with Crocket's mother who offers the popular Dutch performance lines of Jazz and Flemmingh. The motherline has been prolific in producing countless successful show jumpers and dressage horses. Eydon's first foal Hamlet by Utopia was the Novice champion 2017 at the dressage nationals last year. She also produced a colt from Floriscount who was awarded a dressage breeding value of 159. Her full sister Darlingscott had a Belissimo foal in last year's AES Elite Auction who sold successfully to a professional dressage home. A really striking colt who fills the eye and has true star quality.

This filly's mother was performance tested in Germany and is by the highly desirable Fürst Heinrich son Fürst Romancier out of a Carpaccio x Ricardo mother whose progeny have sports winnings in Germany of over 20,000 Euros, including the successful Grand Prix horse Daktari who won over £10,000 Euros so far including wins at Aachen and Mannheim this year. This mare also produced the licensed stallion Fred Astaire. Behind comes the blood of the Ladykiller XX son Landgraf, who made his mark not only in jumping, but also in dressage breeding for providing beautiful top lines and expressive fronts. Dam sire Imperio is on the national German dressage team with Hubertus Schmidt and was Trakehner stallion of the year 2016. He brings proven performance, refinement and that valuable Trakehner blood injection that works so well in combination with Hanoverian mother lines. While his immediate pedigree features a great array of excellent show jumpers, Casino Grande is from the motherline of Stedinger, making him a highly interesting choice for dressage breeding to offer that useful show jumping athleticism on a proven dressage dam line. This colt's dam is by the premium small tour stallion Riccio from the line of Rubinstein. She has produced Elite and Higher First offspring for the Futurity and the full sister to her dam produced two graded stallions, Freestyle and the very popular Flammengold. She comes from the highly successful Dorette motherline that has produced multiple 1m40-1m55 jumpers, Grand Prix dressage horses and over 20 stallions including Romadour II, sire of double Olympic dressage gold medallist Rembrandt, grandsire of Rubinstein and damsire of Belissimo M. Others of note from this motherline are premium dressage stallion Dragon Hill, who sold for €240,000 to Schockemohle, Languedoc, a Grand Prix dressage horse, Chase Manhatten, a 1m55 show jumper and Cornetto King, a successful 1m55 jumping stallion. This striking filly by the exciting young stallion Baron oozes presence and convinces with excellent, uphill and powerful movement. Brought to us by Fay Thomas of FST Sport Horses all the way from Wales, this elegant foal provides an excellent cocktail of proven performance lines in a new and exciting combination. Baron is by the highly desirable Bellissimo son Benicio, who followed in the footsteps of his father in competing successfully at Grand Prix and who already sired numerous licensed stallions, among them the highly popular Bonds. In Baron, we see again the cross with Sir Donnerhall, this time on a Friedensfürst daughter who comes from the Hanoverian Kleopatra line, which produced around 250,000 Euros in sport winnings in Germany. Bug Jam's dam is by the premium stallion St Moritz who died very young in a freak accident, and who left an impeccable breeding record as the sire of licensed stallions such as St Schufro and St Moritz Junior and as the dam sire of licensed stallions, including the famous Secret. Behind that comes the classic combination of Rubinstein and Weltmeyer, combining great rideability and temperament with movement and performance. The motherline has produced the successful dressage horse Dupont and the stallion Lastro. Sapphire MKM has consistently produced champion foals and has offspring with professional riders. Notable offspring include the 2 Champion BHHS colts Frasier FST and Dreamscape FST, and the best KWPN filly foal for 2014 in Juniper FST by Seznan. Bred by Eleri Wyn Jones and brought to us all the way from Wales, this lovely foal is by the up-and-coming young stallion Dostojewski. Dostojewski offers the proven breeding of De Niro on a daughter of the Trakehner stallion Latimer in an unusual and exciting combination, and behind that comes Rubinstein on a prolific Hanoverian motherline that produced almost 300,000 Euros in sport winnings in Germany alone. His mother, the State Premium mare Lindsey won her performance test with a 9 for rideability and was vice champion of her mare show. She also produced the 270,000 Euros auction success Feldrose and the advanced dressage horse Danse du Feu. On the mother's side, we find Hemmingway, a stallion very much in the stamp of his great grandsire Ladykiller XX. His offspring include international Grand Prix show jumpers such as Overa and Webster, but also the international Grand Prix dressage horses, such as Capriool V and the PSG/Inter I horses Brendola-B and Caramba, making him an extremely successful and versatile sire. The motherline has been prolific in producing successful sport horses, and in the closer dam family we find the Grand Prix dressage horse Tylov. The direct motherline of this colt has produced some outstanding show jumpers in the 1.60m horses Controe, Cassandra and ERP van www.olland.biz and the international show jumping stallion Elot el Dolga, to name only a few, making this a very interesting cross with the power and performance from the jumping lines paired with the refinement and uphill movement from the modern dressage pedigree on top. A gorgeous colt and dream package for the discerning dressage investor.

The dam sire and Havidoff son Paganini has competed successfully at Grand Prix with the Canadian rider Cheryl Meisner. Behind that comes some proven established performance breeding from the great Ulft. The motherline of this lovely foal is particularly prolific, having produced the Grand Prix dressage stallion Labo and the Inter I/PSG Stallion Tideman W, among others. It is a pleasure to introduce our second foal by Dream On in this delightful colt bred by Damien and Mark Darbyshire. Dream Boy was the Welsh regional Dressage Foal Champion at the recent Elite Foal Registration Tour. He convinces with excellent conformation and elastic and expressive gaits. In Germany alone, direct offspring by Dream On have so far amassed sport winnings of almost 60,000 Euros, and we are very fortunate to have him in this country now. On the mother's side, we have the great R-Line, which give trainability and rideability, on a direct daughter of the legendary Donnerhall, who thus features twice in this colt's excellent pedigree. Donnerhall stands, above all, for power and performance, which in this attractive foal is balanced beautifully with the temperament of the Rubinstein son Rubin Star N and the elegance and refinement from Dream On's Arab motherline, offering everything one could wish for in a modern dressage horse bred and built for the world stage.

Inseminated 4th July 2018; transferred to recipient mare at Tomlinson Equine Stud, and due approx. 9th June 2019

Dam Weidyfleur II is a full sister to Valegro and has proved herself as a broodmare of international renown. Her offspring all have lovely natural paces enhanced by outstanding power, with great rhythm and balance combined with cleverness and trainability. Unsurprisingly Weidyfleur's offspring are highly sought after and include the 7yo approved stallion U-Genius (by Uthopia) and 5yo licensed stallion Integro (by Dimaggio) (photo above). Younger offspring have sold to European clients and include ET foals by Uthopia, Dimaggio, Fürstenball, Revolution and Totilas. Weidyfleur's 'grand-foals' by U-Genius are being bred, and have sold, worldwide.

Sire Finest was chosen as an ideal match for Weidyfleur II. He has outstanding bloodlines which have combined to make him an elegant, long legged sire with impeccable symmetry and movement who excelled in his licensing in Verden, with a breed value of 138 points. Finest had the most sons (9) selected for the 2017 Hanoverian Stallion Licensing with one achieving premium and selling for 360,000 Euros in the auction.
