AES & BRIGHTWELLS ELITE FOAL AUCTION 2016

FOREWORD

Welcome to our very first AES Elite Foal Auction in cooperation with Brightwells Auctioneers.

When we first announced this exciting new idea in December last year, we wanted to give something back to our many breeders across the country, offering them the opportunity to present their foals to a much wider and above all expert audience than has hitherto been accessible to them. The Addington Elite Sales alongside the Young Horse Championships provide the perfect venue and opportunity to achieve this.

Little did we anticipate that this idea would meet with so much support and enthusiasm from across the entire breeding community, with invitations to come and see foals as far afield as Britain's south coast, Wales and Scotland. Wherever we went we met passionate and knowledgeable breeders whose dedication has been truly humbling and inspiring.

We were particularly struck by the breadth and depth of quality we found in breeding for all three Olympic disciplines, allowing us to put together a truly outstanding selection of quality foals that showcase some of the very best Britain has to offer, and that demonstrates that our breeders in this country can hold their head up high in international circles.

We are excited that for the first time in recent years, we can offer serious and knowledgeable British buyers what they have been asking for: the opportunity to see an outstanding and truly diverse selection of serious competition prospect foals together under one roof.

Our special thanks go to Brightwells Auctioneers who are running the 'business side' of this auction and whose expertise in this field is simply invaluable. Without their support this would not have been possible.

We believe that Britain deserves and needs a strong and successful Elite Foal Auction and would like to thank you for supporting it and being part of this exciting journey.

With the very best wishes

Your

AES Team

AES & BRIGHTWELLS ELITE FOAL AUCTION 2016

Special thanks go to Rosalyn Serex of Solaris Sport Horses, Janice Vallance and James Crawford who kindly provided the photos for their own auction entries, after we could not photograph their foals for logistical reasons.

And last but not least, a very big and sincere thank you to all the British breeders who support this auction with so much enthusiasm. Meeting you all has been truly inspiring.

The mother is one of the few remaining active direct daughters of the legendary Donnerhall. She is graded 3* with the AES and scored a 9 for rideability in her performance test, as well as coming third in the Shearwater YH Champs as a 4yo. Behind Donnerhall comes Pik Bube, another one of the greats in the dressage breeding hall of fame. The motherline is particularly interesting and has produced the outstanding stallion Weltregent.

A wonderful opportunity to purchase this beautiful son of the outstanding show jumping stallion Casallco. Casallco famously received a jumping mark of 10.0 three times during his performance test for technique, scope and style over a fence. This is perhaps unsurprising if we look at his parentage, with the international Grand Prix showjumper and Olympic horses Casall, and behind Contender, himself sire of 127 licensed stallions. On the mother's side we have the famous Holstein Stamm 18a2, dam line of Untouchable and producer of 1m60 show jumpers. Butterfly herself competed at 2* eventing as a 6yo and was jumping 1m35 classes as a 7yo.

JAZZ

PERLE-LINEKE

With his sire, Glock's Johnson, representing his country at the Olympics, it is not surprising that the AES approved stallion Denver LG is enjoying great popularity with British breeders, and it is a pleasure to introduce yet another example of his quality offspring, here in a filly line-bred to the great Jazz.. This filly's mother, Blinke R, comes from a prolific dam line with numerous offspring competing successfully in international show jumping and dressage arenas. Her sire Flemmingh requires no introduction as one of the most influential stallions of all time, having shaped the modern performance warmblood like very few others.

First Ampere is an interesting young stallion by the KWPN Champion Stallion Ampere who won his performance test with outstanding scores, including a 9.5 for his canter, and sired 15 licensed stallions from his first crops in Germany alone. The dam sire Weltruhm achieved the highest dressage score at his performance test and has a reputation for passing on great rideability and temperament. The Dam is the half sister to the highly regarded stallion Grey Flanell. In 2015, his offspring made 2nd and 3rd best prices at the Elite Foal Auction in Vechta (65,000 and 60,000 Euros). With Rhodium as her sire, Zonoeska is line bred to Ferro. Her dam sire Clavecimbel had numerous Grand Prix wins.

(2) In the case of a Foal sold prior to weaning the Buyer shall notify the Auctioneers if the Buyer claims to be entitled to return a Foal to the Seller orally by 5pm on the second day after the date of collection excluding Sundays. The Complaints Procedure will only be concerned with Conditions 7 (2) i, ii, iii, iv, v and vi.

(3) The Buyer shall follow up this oral notification to the Auctioneer with written notification to the Auctioneer to be received by the Auctioneer within seven days from the date of the Sale. The written notification by the Buyer to the Auctioneer shall set out the grounds upon which the Buyer claims to be entitled to return the horse to the Seller.

(4) Where appropriate, the Buyer shall submit, along with his written notification, a Veterinary Certificate confirming any matters in respect of which the complaint is made. The failure to submit a Veterinary Certificate in circumstances where such a certificate is appropriate will mean that the Buyer's complaint will not be further entertained and the Buyer shall pay the price for the horse in full.

(5) In the event that the Buyer fails to make oral or written notification of his complaint within the above timescales, the Buyer shall not be allowed to return the horse to the Seller but must make payment for the horse in full unless the buyer can demonstrate to the satisfaction of the Auctioneer that it was not reasonably practicable for the Buyer to discover the complaint and to notify the Auctioneer of the same within the above timescales. The task of the Arbitrator will be to examine and determine the complaint. The name of the person appointed by the Auctioneer to act as Arbitrator shall be notified by the Auctioneer to the Seller and the Buyer. The Auctioneer shall thereafter have no further responsibility in respect of the Complaints Procedure.

(7) The examination and resolution of the complaint shall be under the control of the Arbitrator and the Seller and Purchaser shall comply with all directions that may be given by the Auctioneer in respect of the complaint.

(8) The Arbitrator may require, before proceeding to examine and determine the complaint, that the Arbitrator's fees and expenses shall be paid in advance. The Seller and Buyer shall thereupon each pay the sum stipulated by the

Arbitrator.

(9) The Arbitrator may direct that the horse shall be subject to such trial as he may direct and the Seller and Buyer shall end their full co-operation to such a trial.

(10) If either the Seller or the Buyer fails to comply with a direction of the Arbitrator or fails to pay any sum ordered to be paid by the Arbitrator, then the Arbitrator may at his own discretion decide not to proceed with the examination and determination of the complaint and may, if the Seller is in default, order that the horse be returned to the Seller or may, if the Buyer is in default, order that the Buyer pay the full price to the Seller.

(11) Upon the determination of the complaint, the Arbitrator may at his discretion order that the unsuccessful party pay to the other all costs and expenses associated with the Complaints Procedure.

12 Any person riding an animal on the Sale Premises must wear a hard riding hat of an approved standard, the Auctioneers accept no responsibility to any accident or injury that may occur to any person who does not comply with this condition of sale.
